District News

Our October event was held at Morgan Street Brewery. It featured a technical presentation on sustainable solutions for spent cake. A copy of the presentation is available on our website. We would like to extend our thanks to Morgan Street Brewery for hosting the event and getting us kick off for another exciting MBAA season.

Our November meeting will feature a technical presentation by Val Peacock, District St. Louis member and presenter at this year MBAA Conference in Chicago. Val will focus on hop trials with Aramis and Triskel as well as the sensory panel results. If you are interested sponsoring a meeting please contact Dustin Chalfant (dustin@morganstreetbrewery.com). You can also sponsor a meeting directly from the event registration site by clicking the "Meeting Sponsor" box under the Additional Options section.

During last months meeting the district voted and approved on this seasons Executive Board.

President – Rob Naylor

Vice-President – Daniel Lynn

Secretary – Courtney Kaiser

Membership Chair – Luke Oldham

In other news, National President has informed all districts that there will be a new insurance requirement for each district to cover general liability and Director and Officer insurance. The initial review of cost is expected to be \$1,250 per year. We will continue to work with National to understand the new requirement and how to ensure the impact to the district is as little as possible. National has agreed to cover the cost for the first year.

Membership

Please welcome our newest member(s):
