## October Speaker – David Weglarz

Our speaker this month is David Weglarz, Founder, Owner and Distiller of Still 630 in St. Louis. David will tell the story of how his distillery came to fruition, describe the Still 630 process, its history, products and business philosophy. He will also relate the challenges of operating a craft distillery, the successes he has achieved and long-term goals.

## District News

Our April event was held at O'Fallon Brewery. It featured a technical presentation by Greg Casey, Brewing Scientist and Educator. He discussed the beer industry in the United States in the late 1800's early 1900's and its effects still felt today. We would like to extend our thanks to Greg for presenting and O'Fallon for hosting the event.

## Golf Outing

Our golf outing which was hosted in September at Fairfield Golf Club was a great success! Thank you to those who attended and a special thanks to those who sponsored this event.
